We have a lot of development and growth coming at Peach County, (and we have a choice, sloppy or well planned), either way, it is coming. Lets continue to work together to shape our area and invest the tax dollars (of the ones we work for) in a way that especially the ones who currently live here will enjoy the quality of life here even more 5-10 years from now!

It has been an honor to serve you and I would appreciate your vote on November 5, 2024 to continue working for you, your family, your business and the future of Peach County!

During my time in office, I have discovered a lot of hard working folks, oft times completely behind the scenes -not only helping keep Peach county on course, but also on track for a better future- thank you! Wade Yoder
